

A tailor made adventure enabling you to experience Waiheke Island's best sights, scenery and activities all in the one event. We can create an event at one venue with your choice of activities or groups can be rotated around a number of different venues. Events can

be designed with a competitive edge (e.g. round robin style, scoring points and ending with a prize giving) or more relaxed 'free-flow' style events. We recommend ending your day with a lunch or dinner at one of our stunning vineyard or beachfront locations.

Waiheke is Auckland's adventure playground with so many activity options to choose from:

Ziplining • Archery • Laser claybird shooting • Segway challenges • Wine trivia games • Wine, craft beer or olive tasting & tours • Local Art experiences • Cocktail making • Sausage making • Barefoot lawn bowls • Team Dynamix challenges • Artisan product tastings • Carnival games • Botanical distillery experiences • Team Quiz

**Please note: Any of the above activities can be included in The Great Escape "Beach" or "Island" Challenges as WOW factor challenges (extra charges apply).*

"My experience in dealing with Karen has been outstanding. From the moment I picked up the phone to make contact to the final moments of our trip I felt totally at ease. It was so easy to deal with her. She was so flexible to any requirements our business needed and would go out of her way in getting responses back to me in a super fast timeframe."

Our trip to Waiheke Island was outstanding, everything that was organised from transfers, accommodation bookings, activities on the island and catering needs were so easily managed and coordinated. Such a pleasure to have an expert consultant on the island to assist us in giving the best options to make our stay a pleasure!"
